

: Institution has created an ecosystem for innovations, Indian Knowledge System (IKS), including awareness about IPR, establishment of IPR cell, Incubation centre and other initiatives for the creation and transfer of knowledge/technology and the outcomes of the same are evident.

- **'Prayas' 'Earn while you learn'.**

'Prayas' 'Earn while you learn' an initiative taken by the college, is successfully implemented by guiding the students in items like Baking, tailoring, making fancy and essential usable items through waste fabric and waste cardboard paper. Resource persons from different institutions are invited for delivering expert talk on Workshops and seminars. The Link for the Activities under 'Prayas' is <https://sdcollegehsp.net/eandl.aspx>

Objective: To inspire, prepare and empower students from all sections of the society with particular emphasis on deprived sections for better personality development and transforming lives and communities.

- Prevent students from avoidable distractions and engage them in meaningful, positive activities.
- To blend ethics with practical knowledge .
- To provide them a platform where they can learn to work in teams and develop their leadership skills.
- To help them become self reliant.

INTELLECTUAL PROPERTY RIGHTS IN SOFTWARE

A workshop on “Intellectual Property Rights in Software” was organized by Department of Computers on 10/09/2018. Mrs. Nisha Arora was the Convener of this workshop. The speaker for the session was an erudite expert, Dr. Satish Kumar from Swami Sarwanand Giri, PU Regional Campus, Hoshiarpur. The objective of this workshop was to give knowledge about various laws that protect owners of IP, mostly in the form of patents, copyrights, and trademarks. He explained very lucidly the concept of Intellectual Property Rights. He highlighted the legal rights that provide creators protection for original work, invention, artistic work, scientific development and so on. Mr. Satish Kumar during his deliberation shared that IPR have to be renewed from time to time for keeping them enforced except in case of copyright and trade secrets. This workshop was highly informative. In short the workshop provided valuable awareness and insights on the various aspects of IPR. Principal Dr. Nand Kishor congratulated the Department for this highly successful event.
