ANNUAL REPORT 2018-19

PRESIDENT'S MESSAGE

"Arise, Awake and Stop not till the Goal is reached"

-Swami Vivekanand

Education makes one sensitive to human suffering and pain and teaches us to imbibe human virtues for the betterment of the society. The best source of these virtues are ancient Indian scriptures and works of great philosophers, a rich storehouse of value-based tenets of life. Visualizing the importance of concerted actions towards aims, Swami ji had further emphasized - "We are responsible for what we are and whatever we wish ourselves to be, we have the power to make ourselves. If what we are now has been the result of our own past actions, it certainly follows that whatever we wish to be in the future can be produced by our past actions; so we have to know how to act".

PRINCIPAL'S MESSAGE

“A human being is not attaining his full heights until he is educated”

-Horace Mann

A warm welcome for the session 2018-19 with hopes of success and learning of new dimensions. I feel privileged to have become the Principal of S.D. College, Hoshiarpur. College has an enviable heritage and legacy of grooming brilliant students who can contribute to serve the community. I would like to place in record the service rendered by the Management, all my predecessors and the college community for providing qualitative infrastructure, encouragement and unflinching support in growing and marching ahead in all avenues of the college functioning to make it one of the leading colleges in the University of Panjab. True to its tradition, the college from academics to co-curricular activities entrenches in the heart of all students perseverance and a never-say-die spirit not merely making them good students but brilliant human beings. Competent team of faculty members strive to focus on each and every student, monitor and encourage them to face the challenges in life by creating meaningful, participative and collaborative learning situations, inculcating life skills in the impressionable children and appreciating their smallest efforts with all generosity and broadness of vision. In this pursuit of excellence, I appreciate our parent fraternity for supporting the college in every aspect. I exhort the students to be always modest, humble and disciplined while being ready to expand the horizons of their knowledge and skills by dreaming big and working hard.
