ANNUAL REPORT 2022-23

PRESIDENT'S MESSAGE

"Arise, Awake and Stop not till the goal is reached"

Swami Vivekanand

Education makes one sensitive to human suffering and pain and teaches us to imbibe human virtues for the betterment of the society. The best source of these virtues are ancient Indian scriptures and works of great philosophers, a rich storehouse of value-based tenets of life. Visualizing the importance of concerted

actions towards aims, Swami ji had further emphasized - "We are responsible for what we are and what ever we wish ourselves to be, we have the power to make ourselves. If what we are now has been the result of our own past actions, it certainly follows that whatever we wish to be in the future can be produced by our past actions; so we have to know how to act.

PRINCIPAL'S MESSAGE

“Vitaly important for a young man or woman is, first, to realize the value of education and then to cultivate earnestly, aggressively, ceaselessly, the habit of self-education".B.C.Forbes

In these tumultuous times, when the social,moral and ethical order is eroded to a large extent, itis the duty of the educational institutions to highlight, stress and enunciate the inculcation of holistic values among the pupils.

The present environment of selfish motives, mean, cut throat tendencies and mutual hatredcan best be addressed to by securing and nurturing kindness, uprightness, respect for valuesand cosmopoliton outlook towards others. All-inclusiveness has been our hallmark and thedictums 'Sarve bhavantuSukhina' & 'Sarbat da Bhala' are real gems thatput forth our wholeheartednessforthewellbeingofallcreatures.

As custodians of a rich heritage, we should lead the progeny towards being a literate,dedicated, virtuous and patriotic denizens of the nation. Academics and attainment of skills must go hand and hand. The aim of this life should be the service of mankind from our respective fields of specialization.

Thus 'Carpe Diem' (seize the day) and make the most of the opportunity of gaining Higher education.

My wishes for your bright future
