## About Us

Founded in the heart of 1973, Sanatan Dharma College, Hoshiarpur, stands as a beacon through the decades—its legacy growing like a mighty tree. With roots deep in knowledge and branches reaching toward excellence, this institution has earned its place, serving young minds with wisdom that evolves with each passing day. Those who built this haven, Late Pt. Amrit Anand Ji Bhrihu Shastri, Late Mahant Sewa Dass Ji, and Shri Chatar Bhushan Joshi Ji, dreamed bold dreams, nurturing a sanctuary where ancient values bloom within the realities of our time.

Guided by Maa Sneh Amrit Anand Ji and Late Sh. G.D. Malhotra Ji, the college flourished, taking giant strides toward progress. Under their visionary watch, professional courses like PGDCA, BCA, and B.Sc. in Biotechnology graced its halls. Vocational streams in Computer Applications and Fashion Designing empowered arts students to stand tall, side by side with their professional peers.

With a majestic Postgraduate Block, high-tech computer labs, a modern gymnasium, and a Health Care Centre, they crafted an environment where aspirations could soar. Affiliated with Panjab University, S.D. College offers pathways in commerce, humanities, biotechnology, computer sciences, business administration, and postgraduate studies—a tapestry rich with academic and spiritual pursuits.

In every corner, sports and extracurriculars fuel young spirits, while the monthly "Havna" ceremony, held on Sankranti, instills moral fortitude inspired by Sanatan Dharma, shaping students into beings of knowledge, grace, and virtue.

## OUR VISION

## PRESIDENT'S MESSAGE

**Smt. Hema Sharma**

**PRESIDENT  
NEW S D COLLEGE  
MANAGEMENT  
COMMITTEE,  
HOSHIARPUR**

**“Arise, Awake and Stop not till the goal is reached”**

**Swami Vivekanand**

Education makes one sensitive to human suffering and pain and teaches us to imbibe human virtues for the betterment of the society. The best source of these virtues are ancient Indian scriptures and works of great philosophers, a rich storehouse of value-based tenets of life. Visualizing the importance of concerted actions towards aims, Swamiji had further emphasized - "We are responsible for what we are and whatever we wish ourselves to be, we have the power to make ourselves. If what we are now has been the result of our own past actions, it certainly follows that whatever we wish to be in the future can be produced by our past actions; so, we have to know how to act.

## PRINCIPAL'S MESSAGE

**Sh. Parshant Sethi**  
OFFICIATING PRINCIPAL  
S D COLLEGE, HOSHIARPUR

"Vitaly important for a young man or woman is, first, to realize the value of education and then to cultivate earnestly, aggressively, ceaselessly, the habit of self-education".

B. C. Forbes

In these tumultuous times, when the social, moral and ethical order is eroded to a large extent, it is the duty of the educational institutions to highlight, stress and enunciate the inculcation of holistic values among the pupils.

The present environment of selfish motives, mean, cut throat tendencies and mutual hatred can best be addressed by securing and nurturing kindness, uprightness, respect for values and cosmopolitan outlook towards others. All-inclusiveness has been our hallmark and the dictums "सर्वे भवन्तु सुखिनः" (Sarvebhavantu Sukhina) & "ਸਰਬੱਤ ਦਾ ਭਲਾ" (Sarbat da Bhala) are real gems that put forth our whole heartedness for the wellbeing of all creatures.

As custodians of a rich heritage, we should lead the progeny towards being literate, dedicated, virtuous and patriotic denizens of the nation. Academics and attainment of skills must go hand and hand. The aim of this life should be the service of mankind from our respective fields of specialization.

Thus 'Carpe Diem' (seize the day) and make the most of the opportunity of gaining Higher education. My wishes for your bright future.
