OUR LEGACY

Late Sh. Tulsi Bhimjyani Ji

*"Take up one idea.
Make that one idea your life-
think of it, dream of it, live on that idea.
Let the brain, muscles, nerves, every part of your body,
be full of that idea, and just leave every other idea alone.
This is the way to success."*

OUR LEADERSHIP

-Swami Vivekanand

Message

Educational excellence is the aim, requirement and pursuit of any forward looking person. Schools, colleges and universities are perfect places to realize the dreams of the pupils who enter the portals of these institutions.

During the span of their stay in the institutions of academic excellence, they interact with their peer group who come from different socio-economic backgrounds. They get a taste of what happens in the society around them. The tutor gives them insight into the philosophy of life, develops their acumen to gauge the intricacies of life, and blend different situations into the framework of academics. In the present scenario of Covid 19 and the looming threat of a possible outbreak of a third wave, caution is the watchword. The government agencies can only guide us to secure our lives by following Covid protection protocol. As the future of the nation, you need to be strong, vigilant and alert in body and mind. Nation first should be your priority. Always stand for what is right, logical and constructive. Unity and integrity for the country should always be at the back of your mind. Excel in your field of specialization and make it a habit to serve the society from your respective positions. All the very best for your Collegiate period. Carpe Diem!

Mrs. Hema Sharma

President

New S.D. College Managing Committee,
Hoshiarpur

OUR LEADERSHIP

Message

Dear Students,

You are the custodians of the nation's faith, strength and growth with your health, motivation and forward looking perspective your biggest asset.

As you complete your school education and are on the threshold of joining this institution of higher learning, you will mature in mind and body with the passage of time.

Your parents, your society, your perspective, your academic pursuit- all play a pivotal role in your all round development. The emphasis in the present times is to gain expertise in your chosen field of specialization. The government is providing assistance for startups and initiatives like Make in India are opening new vistas for the aspirant youth of the nation. The National Education Policy 2020, on the anvil, has in its fold employability opportunities in commercial and financial practices, which are our legacy. So the focus of the students should be to gain maximum out of their academic spell. The dictum- No knowledge without college truly vivifies the idea behind college education. The moral, spiritual, psychological and academic impulses of the pupils are given a fresh perspective by the college atmosphere. The mentor-mentee relationship brings these impulses in a fresh and favorable light. The teacher and the taught are to develop a harmonious blend where the pupil sees the college as his second home and even after the completion of his studies retains a living link with his Alma Mater. I welcome you to this premier coeducational institution of the region and exhort you to utilize fully this time period. Best of luck.

OUR COLLEGE

॥ श्री रामचन्द्रचरणौ शरणम् प्रपद्ये ॥

तमसो मा ज्योतिर्गमय

Lead us, God, from darkness to light !

This jewel from the Upanishads that the founders of the college chose to be our prayer and guiding principle inspires our endeavour. By reaffirming the awareness of our ignorance, it reminds us of the humanity that is essential for illumination, and it proclaims the sublime mission to which this institution is consecrated: the pursuit of understanding, which ought to be unsoiled by vanity and be conducted in deference to God's inviolate mystery. Sanatan Dharma College, Hoshiarpur was founded in 1973. Over a period of almost more than four decades, it has come into a great reckoning and has earned for itself a place of repute. It continues to serve the community by providing relevant and wholesome education to young men and women, while adding new dimensions everyday to its quest for excellence. The virtuous men who laid the foundation of this college had a great dream. This was to translate the values of Sanatan Dharma, the perennial religion of humanity, into the living truth of modern conditions. Late Pandit Amrit Anand Ji Bhriugu Shastri, Late Mahant Sewa Dass Ji and Shri Chatar Bhushan Joshi Ji (Present Vice-President) worked against forbidding odds to establish and nurture an institution of higher education that would send into the world, men and women of uncommon merit and mature humanity. Under the inspiring leadership and able guidance of the third illustrious President and Secretary of the College Managing Committee, Maa Sneh Amrit Anand Ji and Late Sh. G.D. Malhotra Ji, the college took giant strides in becoming one of the most sought after Post-graduation institutions of the region. Both these luminaries strived hard to introduce professional courses like PDGCA, BCA and B.Sc. (Bio-Technology) in the college. In addition to these coveted courses, they were instrumental in adding vocational subjects like Computer Applications and Fashion Designing in Arts Stream. It paved the way for arts students to compete with their counter-parts in other professional streams. In order to provide infrastructure for these courses, a Post-graduate Block comprising six spacious classrooms, three State of the Art Computer Labs, an ultra-modern gymnasium and a Health Care Centre were erected under the aegis of these two visionaries. They were also the motivating force behind the smooth and successful conduct of the Zonal Youth Festival and NAAC accreditation of the college in the past. Under the dynamic leadership of Mrs. Hema Sharma Ji, Bhriugu Shastri (President), Late Sh. Vijay Kumar Malhotra Ji (Former Secretary) and Sh. Shri Gopal Sharma Ji (Present Secretary), the great dream today meets its fulfilment in our students who occupy coveted positions in diverse fields of work. Affiliated to Panjab University, Chandigarh, S.D. College imparts instructions for graduation in commerce (honours), humanities, bio-technology (honours), computer and business administration and post-graduation in Commerce and post-graduate diploma in computer applications. Sports and extra-curricular activities promote the students' over-all development that complement academic pursuit. Also, a "Havan" is performed on Sankranti of every month to inculcate moral values based on Sanatanist ideals.
